

Minutes of the Membership Meeting of IAEI Western PA Chapter March 21st, 2019

Rich Janoski called the meeting to order at 7:05 with 53 members present. The meeting opened with the Pledge of Allegiance and a moment of silence to honor those serving in our military and first responders everywhere.

Rich Janoski read the minutes of the February 21st, 2019 meeting. No corrections or additions were presented, and the minutes stood as read.

It was announced that the April 18th, 2019 meeting date will be changed to April 11th, 2019. The sponsor, guest speakers, and Gaetano's were notified and the change was made only after their approval.

Membership:

Lou Troiani reported that there are 158 active members.

Public Relations:

Mario Sciulli reported that the announcement for tonight's membership meeting were sent to Comcast, the Beaver County Times, the Butler Eagle, the Post-Gazette and the Tribune Review.

Program and Education:

Our evening's presentation began with Rich Peach, Leviton Sales Representative, and Jason Campagna, Leviton Sales Representative for Electrical Distribution.

Rich gave an in depth presentation on the new Leviton load center. Leviton now has a full line of load centers, circuit breakers, and accessories that are being marketed for Residential installations.

Some of the features of the new load center include:

- Ease of installation
- More accurate hydraulic/magnetic circuit breaker
- Extra gutter space for ground wires
- Circuit breakers that have a color coded open/close position flag
- Led lit trip indicator window

Jason Campagna continued the presentation by doing a walk through of the new “My Leviton” app. He explained that, the revolutionary Leviton Load Center uses Wi-Fi connectivity, a central data hub and the most intelligent circuit breakers on the market. This offers unparalleled control, easy access to energy consumption data, and alerts through the My Leviton app.

The app allows the user to:

- open circuit breakers remotely
- view energy usage breakdown
- trip notification of AFCI and GFCI
- customizable alerts
- circuit breaker labeling tool

Our evening continued with Dave Platt’s presentation of the “Analysis of Code” changes for 2011 and 2014 NEC. For this evening, Dave focused on Article 240 and Article 250.

During Dave’s presentation, he referenced NEC Articles:

- 240.87
- 240.91
- 250.2 (C)
- 250.8
- 250.52
- 250.64 (B)

His presentation offered many opportunities for questions and discussion.

A drawing was held with cash prizes.

Our next regularly scheduled meeting will be on April 11th, 2019, and our sponsor will be MET Testing Laboratories, and we will feature an Eaton representative to conduct our educational portion.

The meeting was adjourned at 9:00 P.M.
